Dear Licensee:

You were previously notified regarding the Board's decision to extend and/or delay certain licensing requirements due to the State of Emergency resulting from the Covid-19 pandemic. Please be advised that the State of Emergency ended on **3/21/2022**, and the following will now take effect:

- If a licensee who has not completed their 2020 or 2021 renewal fails to renew their license within **thirty (30) days** after the State of Emergency is lifted, late fees will begin to accrue. To avoid cancellation, 2020 and 2021 license renewals must be submitted through the eservices portal or postmarked by **4/20/2022**.

NOTE: This is a generic email sent to all licensees. Check your KBA eServices account to verify you have completed all necessary licensing requirements before the deadline dates. The Board recommends all licensees renew as soon as possible, but no later than **4/20/2022** for your license to remain active and in good standing.
